

CITATION REPORT

List of articles citing

Race/Ethnicity, Socioeconomic Status, Residential Segregation, and Spatial Variation in Noise Exposure in the Contiguous United States

DOI: 10.1289/ehp898

Environmental Health Perspectives, 2017, 125, 077017.

Source: <https://exaly.com/paper-pdf/68738777/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
111	Inequality of Noise Exposures: A Portrait of the United States. <i>Environmental Health Perspectives</i> , 2017 , 125, 094003	8.4	0
110	Road traffic air and noise pollution exposure assessment - A review of tools and techniques. 2018 , 634, 661-676		99
109	Socioeconomic and ethnic inequalities in exposure to air and noise pollution in London. 2018 , 115, 170-179		43
108	Relation between Observed and Perceived Traffic Noise and Socio-Economic Status in Urban Blocks of Different Characteristics. 2018 , 2, 20		20
107	The association of traffic-related air and noise pollution with maternal blood pressure and hypertensive disorders of pregnancy in the HOME study cohort. 2018 , 121, 574-581		34
106	Socioeconomic inequalities in urban and transport planning related exposures and mortality: A health impact assessment study for Bradford, UK. 2018 , 121, 931-941		36
105	Established and Emerging Environmental Contributors to Disparities in Asthma and Chronic Obstructive Pulmonary Disease. 2018 , 5, 114-124		11
104	Impact of transient truck and train traffic on ambient air and noise levels in underserved communities. 2018 , 63, 706-717		1
103	Nature and mental health: An ecosystem service perspective. 2019 , 5, eaax0903		391
