

# CITATION REPORT

List of articles citing

Flexible and precise dosing of enalapril maleate for all paediatric age groups utilizing orodispersible minitablets

DOI: 10.1016/j.ijpharm.2018.02.037

International Journal of Pharmaceutics, 2018, 541, 136-142.

**Source:** <https://exaly.com/paper-pdf/68764265/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
