

# CITATION REPORT

List of articles citing

Maternal vitamin D and markers of glycaemia during pregnancy in the Belfast centre of the Hyperglycaemia and Adverse Pregnancy Outcome study

DOI: 10.1111/dme.13632

Diabetic Medicine, 2018, 35, 972-979.

**Source:** <https://exaly.com/paper-pdf/68922558/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
