

CITATION REPORT

List of articles citing

A sensitive and selective analytical method for the simultaneous determination of sildenafil and tadalafil in water, energy drinks and sewage sludge matrices by LC-Q²

DOI: 10.1016/j.measurement.2018.04.011
Measurement: Journal of the International
Measurement Confederation, 2018, 124, 64-71.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
