

CITATION REPORT

List of articles citing

Event-Triggered Finite-Time Control for Networked Switched Linear Systems With Asynchronous Switching

DOI: 10.1109/tsmc.2017.2789186

IEEE Transactions on Systems, Man, and Cybernetics: Systems, 2018, 48, 1874-1884.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
