## Methylation of the HOXA10 Promoter Directs miR-196b-5p-Dependent Cell Proliferation and Invasion of Gastric Cancer Cells

DOI: 10.1158/1541-7786.mcr-17-0655  
Molecular Cancer Research, 2018, 16, 696-706.

**Source:** <https://exaly.com/paper-pdf/68993688/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
