

CITATION REPORT

List of articles citing

Synergic effect of curcumin and its structural analogue (Monoacetylcurcumin) on anti-influenza virus infection

DOI: 10.1016/j.jfda.2017.12.006

Journal of Food and Drug Analysis, 2018, 26, 1015-1023.

Source: <https://exaly.com/paper-pdf/69015146/citation-report.pdf>

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
