## CITATION REPORT List of articles citing

Bisphenol A is not associated with a 5-year incidence of type 2 diabetes: a prospective nested case-control study

DOI: 10.1007/s00592-018-1104-4 Acta Diabetologica, 2018, 55, 369-375.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
