Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
172	An Evolving Continuum of Care for the Kidney Disease Patient Will Help the Transplant Center Patient Navigator. <i>Clinical Journal of the American Society of Nephrology: CJASN</i> , 2018 , 13, 519-520	6.9	2
171	Equity in kidney transplantation: Policy change is only the first step. <i>American Journal of Transplantation</i> , 2018 , 18, 1839-1840	8.7	2
170	Stepping Up to Reduce Racial Disparities in Transplantation. <i>American Journal of Transplantation</i> , 2018 , 18, 773-774	8.7	0
169	Social Status Should Not Determine Care. 2018 , 13, 1-1		
168	Addressing Disparities in Living Donor Kidney Transplantation: A Call to Action. <i>Clinical Journal of the American Society of Nephrology: CJASN</i> , 2018 , 13, 1909-1911	6.9	17
167	Transplant center assessment of the inequity in the kidney transplant process and outcomes for the Indigenous American patients. <i>PLoS ONE</i> , 2018 , 13, e0207819	3.7	9
166	Developing an ethics framework for living donor transplantation. 2018 , 44, 843-850		8
165	Helping More Patients Receive a Living Donor Kidney Transplant. <i>Clinical Journal of the American Society of Nephrology: CJASN</i> , 2018 , 13, 1918-1923	6.9	12
164	Association Between Medicaid Expansion Under the Affordable Care Act and Medicaid-Covered Pre-emptive Kidney Transplantation. 2019 , 34, 2322-2325		3
