

# CITATION REPORT

List of articles citing

Detection, characterization, and enrollment of donors of Ebola convalescent plasma in Sierra Leone

DOI: 10.1111/trf.14580  
Transfusion, 2018, 58, 1289-1298.

**Source:** <https://exaly.com/paper-pdf/69327400/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
