

CITATION REPORT

List of articles citing

A novel no-equilibrium hyperchaotic multi-wing system via introducing memristor

DOI: 10.1002/cta.2339

International Journal of Circuit Theory and Applications, 2018, 46, 84-98.

Source: <https://exaly.com/paper-pdf/69487840/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
