

CITATION REPORT

List of articles citing

Factors impacting the accuracy of intra-operative evaluation of sentinel lymph nodes in breast cancer

DOI: 10.1111/tbj.12829
Breast Journal, 2018, 24, 28-34.

Source: <https://exaly.com/paper-pdf/69499238/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
