

CITATION REPORT

List of articles citing

Structural and electronic transformation in low-angle twisted bilayer graphene

DOI: 10.1088/2053-1583/aa9640
2D Materials, 2018, 5, 015019.

Source: <https://exaly.com/paper-pdf/69565495/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
