

CITATION REPORT

List of articles citing

Frequency of Desaturation and Association With Hemodynamic Adverse Events During Tracheal Intubations in PICUs

DOI: 10.1097/pcc.00000000000001384

Pediatric Critical Care Medicine, 2018, 19, e41-e50.

Source: <https://exaly.com/paper-pdf/69667414/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
