

# CITATION REPORT

List of articles citing

Local environmental impact assessment as decision support for the introduction of electromobility in urban public transport systems

DOI: 10.1016/j.trd.2017.07.010

Transportation Research, Part D: Transport and Environment, 2018, 64, 192-203.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
