

# CITATION REPORT

List of articles citing

## Longitudinal Study of Tacrolimus in Lymphocytes During the First Year After Kidney Transplantation

DOI: 10.1097/ftd.00000000000000539

Therapeutic Drug Monitoring, 2018, 40, 558-566.

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
