

# CITATION REPORT

List of articles citing

Global, regional, and national incidence, prevalence, and years lived with disability for 354 diseases and injuries for 195 countries and territories, 1990-2017: a systematic analysis for the Global Burden of Disease Study 2017

DOI: 10.1016/s0140-6736(18)32279-7  
Lancet, The, 2018, 392, 1789-1858.

**Source:** <https://exaly.com/paper-pdf/70362473/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
