List of articles citing

## Biomarkers of Exposure to Secondhand and Thirdhand Tobacco Smoke: Recent Advances and Future Perspectives

DOI: 10.3390/ijerph15122693

International Journal of Environmental Research and Public Health, 2018, 15, .

**Source:** <https://exaly.com/paper-pdf/70574302/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
