CITATION REPORT List of articles citing

IL-23 production of liver inflammatory macrophages to damaged hepatocytes promotes hepatocellular carcinoma development after chronic hepatitis B virus infect

DOI: 10.1016/j.bbadis.2018.10.004 Biochimica Et Biophysica Acta - Molecular Basis of Disease, 2018, 1864, 3759-3770.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
