List of articles citing

## Anabolic Androgenic Steroid Abuse: The Effects on Thrombosis Risk, Coagulation, and Fibrinolysis

DOI: 10.1055/s-0038-1670639

Seminars in Thrombosis and Hemostasis, 2018, 44, 734-746.

**Source:** <https://exaly.com/paper-pdf/70795944/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
