

CITATION REPORT

List of articles citing

Evaluation of the clinical and cost-effectiveness of the York Faecal Calprotectin Care Pathway

DOI: 10.1136/flgastro-2018-100962
Frontline Gastroenterology, 2018, 9, 285-294.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
