

# CITATION REPORT

List of articles citing

Optical coherence tomography angiography for screening of hydroxychloroquine-induced retinal alterations

DOI: 10.1007/s00417-018-4117-3

Graefes Archive for Clinical and Experimental Ophthalmology, 2018, 256, 2075-2081.

**Source:** <https://exaly.com/paper-pdf/70971340/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
