

CITATION REPORT

List of articles citing

Abnormal vaginal bleeding in women of reproductive age treated with edoxaban or warfarin for venous thromboembolism: a post hoc analysis of the Hokusai-VTE study

DOI: 10.1111/1471-0528.15388

BJOG: an International Journal of Obstetrics and Gynaecology, 2018, 125, 1581-1589.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
