

# CITATION REPORT

List of articles citing

Meta-analysis and systematic review of population-based epidemiological studies in idiopathic intracranial hypertension

DOI: 10.1111/ene.13739

European Journal of Neurology, 2018, 25, 1218-1227.

**Source:** <https://exaly.com/paper-pdf/71232469/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
