

CITATION REPORT

List of articles citing

Associations of unconventional natural gas development with depression symptoms and disordered sleep in Pennsylvania

DOI: 10.1038/s41598-018-29747-2
Scientific Reports, 2018, 8, 11375.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
