

# CITATION REPORT

List of articles citing

Activation of ferritinophagy is required for the RNA-binding protein ELAVL1/HuR to regulate ferroptosis in hepatic stellate cells

DOI: 10.1080/15548627.2018.1503146  
Autophagy, 2018, 14, 2083-2103.

**Source:** <https://exaly.com/paper-pdf/71303161/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
