## CITATION REPORT List of articles citing

Long noncoding RNA expression in the cervix mid-pregnancy is associated with the length of gestation at delivery

DOI: 10.1080/15592294.2018.1503490 Epigenetics, 2018, 13, 742-750.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
