

# CITATION REPORT

List of articles citing

Association of orthostatic hypotension with incident dementia, stroke, and cognitive decline

DOI: 10.1212/wnl.00000000000006027  
Neurology, 2018, 91, e759-e768.

**Source:** <https://exaly.com/paper-pdf/71345622/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
