

CITATION REPORT

List of articles citing

Cost estimate of platelet transfusion in the United States for patients with chronic liver disease and associated thrombocytopenia undergoing elective procedure

DOI: 10.1080/13696998.2018.1490301

Journal of Medical Economics, 2018, 21, 827-834.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
