## Cardiometabolic Risk and Female Sexuality-Part I. Risk Factors and Potential Pathophysiological Underpinnings for Female Vasculogenic Sexual Dysfunction Syndromes

DOI: 10.1016/j.sxmr.2018.02.009

Sexual Medicine Reviews, 2018, 6, 508-524.

**Source:** <https://exaly.com/paper-pdf/71571375/citation-report.pdf>

**Version:** 2024-04-11

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
