

# CITATION REPORT

List of articles citing

Evaluation of efficacy and safety of sorafenib in kidney cancer patients aged 75 years and older: a propensity score-matched analysis

DOI: 10.1038/s41416-018-0129-3

British Journal of Cancer, 2018, 119, 241-247.

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
