

CITATION REPORT

List of articles citing

Ultrasound Scoring of Endometrial Pattern for Fast-track Identification or Exclusion of Endometrial Cancer in Women with Postmenopausal Bleeding

DOI: 10.1016/j.jmig.2018.06.010

Journal of Minimally Invasive Gynecology, 2019, 26, 516-525.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
