List of articles citing

## Expression Profile of microRNAs in Hypertrophic Cardiomyopathy and Effects of microRNA-20 in Inducing Cardiomyocyte Hypertrophy Through Regulating Gene

DOI: 10.1089/dna.2019.4731

DNA and Cell Biology, 2019, 38, 796-807.

**Source:** <https://exaly.com/paper-pdf/72132933/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
