CITATION REPORT List of articles citing

Hydroxychloroquine-induced podocytopathy mimicking Fabry disease

DOI: 10.1136/bcr-2018-228876 BMJ Case Reports, 2019, 12,.

Source: https://exaly.com/paper-pdf/72251691/citation-report.pdf

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
