

# CITATION REPORT

List of articles citing

## Introduction to Multi-Armed Bandits

DOI: 10.1561/22000000068

Foundations and Trends in Machine Learning, 2019, 12, 1-286

**Source:** <https://exaly.com/paper-pdf/72385197/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
