

# CITATION REPORT

List of articles citing

Carbon stocks and factors affecting their storage in dry  
Afromontane forests of Awi Zone, northwestern Ethiopia

DOI: 10.1186/s41610-019-0105-8

Journal of Ecology and Environment, 2019, 43, .

**Source:** <https://exaly.com/paper-pdf/72559127/citation-report.pdf>

**Version:** 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
