

CITATION REPORT

List of articles citing

Efficient Methods of Market Pricing in Power Industry within the Context of System Integration of Renewable Energy Sources

DOI: 10.3390/en12173250
Energies, 2019, 12, 3250.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
