

CITATION REPORT

List of articles citing

Carbon footprint of self-selected US diets: nutritional, demographic, and behavioral correlates

DOI: 10.1093/ajcn/nqy327

American Journal of Clinical Nutrition, 2019, 109, 526-534.

Source: <https://exaly.com/paper-pdf/72850194/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
