List of articles citing

## Outcomes of Patients With Severe Symptomatic Aortic Valve Stenosis After Chest Radiation: Transcatheter Versus Surgical Aortic Valve Replacement

DOI: 10.1161/jaha.119.012110

Journal of the American Heart Association, 2019, 8, e012110.

**Source:** <https://exaly.com/paper-pdf/73068225/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
