

CITATION REPORT

List of articles citing

Air Quality and Health Cobenefits of Different Deep Decarbonization Pathways in California

DOI: 10.1021/acs.est.9b02385

Environmental Science & Technology, 2019, 53, 7163-717

Source: <https://exaly.com/paper-pdf/73076468/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
