

CITATION REPORT

List of articles citing

Effects of ENSO on Temperature, Precipitation, and Potential Evapotranspiration of North Indias Monsoon: An Analysis of Trend and Entropy

DOI: 10.3390/w11020189

Water (Switzerland), 2019, 11, 189.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
