

CITATION REPORT

List of articles citing

Magnetic bead-assisted endoscopic submucosal dissection: a gravity-based traction method for treating large superficial colorectal tumors

DOI: 10.1007/s00464-019-06799-7

Surgical Endoscopy and Other Interventional Techniques, 2019, 33, 2034-2041.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
