

# CITATION REPORT

List of articles citing

## Differentiating the Effects of Climate Change-Induced Temperature and Streamflow Changes on the Vulnerability of Once-Through Thermoelectric Power Plants

DOI: 10.1021/acs.est.8b05718

Environmental Science & Technology, 2019, 53, 3969-39

**Source:** <https://exaly.com/paper-pdf/73434078/citation-report.pdf>

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
