

# CITATION REPORT

List of articles citing

## Tuberculosis Exacerbates HIV-1 Infection through IL-10/STAT3-Dependent Tunneling Nanotube Formation in Macrophages

DOI: 10.1016/j.celrep.2019.02.091  
Cell Reports, 2019, 26, 3586-3599.e7.

**Source:** <https://exaly.com/paper-pdf/73462676/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
