

CITATION REPORT

List of articles citing

Mangrove wetland productivity and carbon stocks in an arid zone of the Gulf of California (La Paz Bay, Mexico)

DOI: 10.1016/j.foreco.2019.03.059

Forest Ecology and Management, 2019, 442, 135-147.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
