

CITATION REPORT

List of articles citing

Simultaneous determination of idelalisib and its metabolite GS-563117 in dog plasma by LC-MS/MS: Application to a pharmacokinetic study

DOI: 10.1002/bmc.4511

Biomedical Chromatography, 2019, 33, e4511.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
