

# CITATION REPORT

List of articles citing

## Human Anti-fungal Th17 Immunity and Pathology Rely on Cross-Reactivity against *Candida albicans*

DOI: 10.1016/j.cell.2019.01.041  
Cell, 2019, 176, 1340-1355.e15.

**Source:** <https://exaly.com/paper-pdf/73768006/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
