

# CITATION REPORT

List of articles citing

## Male Oxidative Stress Infertility (MOSI): Proposed Terminology and Clinical Practice Guidelines for Management of Idiopathic Male Infertility

DOI: 10.5534/wjmh.190055

World Journal of Men's Health, 2019, 37, 296-312.

**Source:** <https://exaly.com/paper-pdf/74015746/citation-report.pdf>

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
