

# CITATION REPORT

List of articles citing

Effect of timing of umbilical cord clamping and other strategies to influence placental transfusion at preterm birth on maternal and infant outcomes

DOI: 10.1002/14651858.cd003248.pub4  
The Cochrane Library, 2019, 9, CD003248.

**Version:** 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
