

CITATION REPORT

List of articles citing

Shear behavior of geotextile-reinforced Chlef sand in the Mediterranean region: Laboratory investigation

DOI: 10.1080/1064119x.2018.1466224

Marine Georesources and Geotechnology, 2019, 37, 599-608.

Version: 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
